Draft Notification.

In exercise of the powers conferred by sub-section (2) of section 26 of the Reserve Bank of India Act, 1934 (II of 1934), and on the recommendation of the Central Board of the Reserve Bank of India, the Central Government is pleased to declare that with effect from the 12th September 1949, all currency notes of the Government of India and bank notes of the denominational value of Rupees one hundred having the word "Karachi" or "Lahore" printed on them, shall cease to be legal tender in India save at—

(*a*) Offices of the Issue Department of the Reserve Bank of India at Bombay, Calcutta, Delhi, Madras and Kanpur, and

(*b*) Government treasuries including sub-treasuries and branches of the Imperial Bank of India maintaining currency chests of the Issue Department of the Reserve Bank of India.

(Sd.).....
Deputy Secy. to the Govt. of India.

Press Communique.

By a notification issued to-day in the Gazette of India, the Government of India have declared that all currency notes of the Government of India and bank notes of the denominational value of Rs. 100 having the words "Karachi" and "Lahore" printed on them shall cease to be legal tender save at the Issue Departments of the Reserve Bank of India and Government treasuries and branches of the Imperial Bank of India maintaining currency chests of the Issue Department of the Reserve Bank of India. After the partition of India, Karachi and Lahore offices of the Reserve Bank of India have come under Pakistan and the public in this country is generally chary of accepting notes belonging to these circles. It is therefore, considered desirable that steps should now be taken to withdraw notes of the Karachi and Lahore circles still in circulation in India; the notes of these circles will, however, continue to be received at the offices and agencies of the Reserve Bank of India. It is explained that although Karachi and Lahore circle notes have continued to circulate in India, their further issue from the chests ceased soon after the partition.

2. Hundred-rupee notes of all other circles, *viz.* Bombay, Calcutta, Delhi, Madras and Kanpur shall continue to be legal tender and circulate freely as hitherto.
